Cat wand-play checklist

Supervise throughout the game, give your cat an easy catch and put the whole toy away afterward.

- [ ] Check the rod, connector, lure and line. Put a damaged toy away.
- [ ] Clear a floor route that leaves room to turn and keeps the line in sight.
- [ ] Move the lure away from the cat, pause and offer a reachable catch.
- [ ] Let the line go slack and wait for the cat to release the lure.
- [ ] Put the entire toy out of reach before you leave the room.
