Poodle haircut planning checklist

- [ ] Bring a photo that shows the outline you like.
- [ ] Mark the features to keep on the face, ears, feet and body.
- [ ] Describe the time and brushing your dog can manage.
- [ ] Show the groomer areas that catch or feel tightly matted.
- [ ] Ask for a demonstration of the care the agreed trim will need.

If touching the coat seems painful or skin is sore, contact your veterinarian before grooming.
