# Indoor cat activity checklist

- [ ] Choose one activity your cat can leave freely.
- [ ] Remove tape, staples, handles and loose pieces.
- [ ] Clear the exits and keep ordinary resources accessible.
- [ ] Stay for the first round. Make the first food pieces easy to reach.
- [ ] Put string toys away and offer the usual meal if the puzzle was too hard.

---

Contact your veterinarian promptly if your cat may have swallowed string or part of a toy.
