Teddy bear or lamb cut appointment checklist

- [ ] Choose one clear front view for the face and one side view for the legs.
- [ ] Point out the detail you want to keep in each photo.
- [ ] Discuss the muzzle, body and lower legs separately.
- [ ] Tell the groomer how often you can brush and where the coat catches.
- [ ] Ask for a demonstration of how to check the longer hair between visits.

For tight mats ask a qualified groomer for help. Sore skin or pain needs veterinary advice.
